

## Cooperation Agreement

between the

*Georgian Technical University (GTU)*  
*Tbilisi, Georgia*

and the

*Hochschule Heilbronn – Heilbronn University (HSHN)*  
*Heilbronn, Germany*

1.

In view of the contacts and the cooperation that have been already established and the specific areas of common interest that have been identified, the Georgian Technical University and the Hochschule Heilbronn agree to sign this cooperation in order to prolong the legal relationship between the two institutions.

This is a general agreement; the specific activities which are to be developed under its incidence have to be conceived in the specific circumstances.

2.

Each partner is going to designate a person responsible for the coordination as contact person.

Contact person of the Georgian Technical University is:

*Prof. Dr. Sergo Dadunashvili*

Contact person of the Hochschule Heilbronn is

*Prof. Dipl.-Phys. Gerhard Gruhler*

3.

Both institutions agree to support the development of existing links in teaching, research and study programmes, especially the exchange of students, teaching staff and researchers in order to increase the quality of teaching process and research activities. They agree to identify specific areas of interest within their common teaching and research fields.

4.

This agreement provides the framework for areas of potential cooperation. Areas of common interest have already been identified in the fields of:

*Electronics, Embedded systems, Mechatronics, Mechanical Engineering, Informatics, Automotive System engineering, e-Commerce, e-Learning.*

5.

Concerning the financing of the activities, the partners agree to look for funding in their own institutions and to cooperate in national or international funding programmes.

Concerning the exchange of persons, the partners agree to assist visiting students, teachers and researchers to find accommodation and to become integrated in the social environment of the host country.

The partners agree that no tuition fees are charged to incoming students of the other institution.

6.

This agreement is valid for a period of three years and is automatically extended unless abrogated by one of the parties with effect from the following academic year.
